Rohingya refugee population in Bangladesh

33,850 individuals

7,534 families

1990s registered refugees

168

individuals

46

families

In early 1990s, Rohingya flee violence and persecution in Myanmar's Rakhine State. While most return, some remain in Bangladesh with the status of 'registered refugees'.

Post-2017 refugees (FDMN)¹

33,606

individuals

7,453

families

In August 2017, more than 740,000 refugees flee military clearance operation in Myanmar's Rakhine State, in what was the largest and swiftest forced movement in the region in decades.

New arrivals (BIE)²

76

individuals

35

families

Renewed displacement of Rohingya fleeing an upsurge in generalized violence in 2024 in Rakhine as well as targeted violence. Newly arrived Rohingya, while biometrically identified, are not considered fully registered and are only issued family cards to access life-saving assistance.
